

New Moon in Capricorn: New Moon, New Year

Capricorn is a practical sign that will help us approach our hopes and dreams for 2024 in a rational, responsible way. We can use the energy of this New Moon to create a to-do list for the upcoming year, setting our personal, professional, and relationship goals in place.

Because this is the first New Moon of 2024, and because it occurs in the determined, ambitious sign of Capricorn, it's a good time to dig extra deep, and map out our wishes and goals for the upcoming year.

1. What energy and direction does the Capricorn New Moon offer?

2. What aspect of my life do I need to restructure and shift?

3. Where do I need to stand strong?

4. How can I challenge myself in 2024?

5. Where or who in my life requires more sensitivity?

6. What resources do I already have that I am overlooking?

7. My Ancestors and Guides would like me to know....
